*Mr. Gesario stated the NJ DOE conducts a survey of parents who have a child with a disability to determine how schools are supporting parent involvement in their child's educational program. This year, Roseland will participate in the survey. Responses are anonymous and confidential. Participation is made available to participating parents both on the web through a link or through a paper form received by mail. The details will be sent out this summer.*

*Mrs. Richey presented an overview of the curriculum Noecker used and will be using next year. She has been presenting to the students, staff and parents since January regarding social skills as a result of the limited interaction during COVID-19. Her presentations and role playing helps the students feel more confident. Part of her presentation focused on students using proper names for adults as a sign of respect, dress wear and table manners.*

- Department of Special Services End of Year Update

*Dr. Celebre discussed the Roseland School District Department of Special Services in a few different ways. He looked back at the previous year and highlighted some of the accomplishments and discussed the challenges. From there, he looked ahead and investigated some of the ways that the district can continue to grow the Department. Finally, with the help of the SEPAC Executive Council, our growing community partnerships were discussed.*

**Accomplishments** – *The Department of Special Services is made up of some of the most resilient, hardworking, and caring educators. He thanked them and considers everything that they did to keep the department running smoothly a major success of the 2022-2023 school year.*

**Challenges** - *In Dr. Celebre's opinion, the greatest challenge facing education right now is the ongoing struggle to find and retain high quality support staff. In order to rectify this, he has already begun taking steps to retain our current staff and incentivize bringing in new, high-quality instructional aides.*

**Inclusion at Noecker** - *As recently shared with the SEPAC executive council at the last meeting, Dr. Celebre shared this statistic last school year at this presentation and shared it again tonight and for as many years to come as possible – but Noecker school provides for 100% of our students with special needs to be included with their grade level peers to the maximum extent appropriate for that individual.*

- Principal Comments
  - Mr. Sandoval gave his report on all upcoming events as we start the end of the school year.

- Superintendent Comments
  - On the agenda is the recommendation for approval of an experienced ESL Teacher, Noha Sadany, she will be a huge help in starting our ESL program and the administrative team feels very fortunate to have found her.
  - Summer Program Invitations have been shared with parents and we are getting great responses. We will have something for everyone.
  - Referendum Update - Tonight we are approving the submission of the application to the NJDOE.
    - The Referendum Advisory committee has met three times and we have come to an agreement that the referendum vote will be in March 2024 not December 2023. We will still have an expected completion date of September 2026 when we expect to see the large number of additional 164 projected students.
    - We have the support of Mayor Spango and borough council as we agree that the addition is needed given the projected developments on the horizon.
    - This project will have zero impact on the taxpayers as we have debt service from the previous referendum coming off our budget.
    - The project will include 8 classrooms, 2 small group instructional spaces, 1 storage room (which will free up 2 more small group instructional spaces currently used for storage), HVAC replacements, window replacements, and boiler replacements.
    - The addition will be constructed on the front field in front of the Serchio Gym.
    - Next Steps
      - Tonight the BOE approves the submission of the application to the NJDOE
      - Roseland Planning Board presentation in June or July
      - The summer months will be used to research FAQ, work on the website, and communication strategies.
      - Fall/ Winter we will be promoting the project at BTSN, PT conferences, BOE meetings, HSA events, Roseland Day, and winter concerts,
- Coffee with the Superintendent on June 7th at 9am and 6pm.
